3rd Annual Best Practice Forum – TSNAP Members Only
October 1, 2010

These academies are organized by the Texas Statewide Network of Assessment Professionals (TSNAP) in conjunction with the TEA Student Assessment Division and the Educational Measurement group of Pearson

Fall Training Academy for New District Testing Coordinators

- This academy is provided for district coordinators who have been in their position for one year or less and who have never attended this Academy previously.

Fall Training Academy for Not-So-New District Testing Coordinators

- This academy is provided for district coordinators who have two to five years experience and are looking for an opportunity to strengthen their skills and network with other DTCs across the state.

Best Practice Forum

- This training is exclusively for TSNAP members to network and share best practices with other experienced testing coordinators.

Additional information on these trainings including agendas, registration information, maps and hotel information can be found on the TSNAP website at:

www.tsnap.org

Registration is free but is limited due to space. There will be NO on-site registration in order to ensure that participants have materials and meals.

Registration Deadlines:

- New District Coordinator Academy – September 3, 2010
- Not-So-New Coordinator Academy – September 16, 2010
- Best Practice Forum – September 17, 2010
